Jayhawk Chapter News

President's Comments

Happy New Year! Georgiana and I wish all our chapter members the very best in 2023. I'd like to outline chapter plans for the year ahead. Consistent with our traditional support of KU's ROTC units, we will use our January, September, and November meetings to honor each of the three ROTC units. This January we'll host Lt Col Charlie Dorssum and the Air Force and Space Force ROTC cadets. Next September we'll honor our Army cadets and their cadre led by LTC (P) J.D Finch. Next November we'll honor Naval ROTC currently commanded by CAPT Jim Miller. We will support and honor all ROTC new Ensigns and Second Lieutenants next May during ceremonies hosted by KU.

In March I hope to begin a new tradition by making the March meeting in honor of our surviving spouse members. We've requested MOAA National to provide a surviving spouse expert speaker and that request remains under review. At our chapter meeting in May I hope to bring a State Legislator to our meeting to discuss the then-concluded 2023 state legislative session.

I'm seeking good ideas for our July meeting and if you have a speaker brainstorm for a future chapter meeting please reach out to any Board Member with your idea. Our chapter board meets the week before our chapter dinner meetings to discuss chapter business. Speaking of chapter business, please see the good news below about Troy Phillips who has agreed to be our new chapter secretary.

Please join us at LCC on January 17th. Request your RSVP to Jim Cooper at jscooper36@hotmail.com or me at mkelly1123@icloud.com If you need any assistance or information please contact me. Call or text me at 785-727-3329.

Thanks, Mike Kelly

PERSONAL NEWS

Troy Phillips, Colonel, U.S. Army (ret) is Our New Jayhawk Chapter Secretary

Troy served in the Missouri National Guard and the Illinois National Guard for a total of 33 years before his military retirement in 2016. He has agreed to join the Chapter Board and serve as Chapter Secretary.

Troy served as an enlisted soldier in the Missouri National Guard's 2175th Military Police Company beginning in 1983 and attended Northeast Missouri State (now Truman State)

University as an ROTC student. He earned his commission and returned to command the 2175th. Later he served in the Illinois National Guard as the Commander of the 404th Maneuver Enhancement Brigade. He deployed overseas twice. In civilian life he worked as an officer in the Illinois State Police. He now resides in Lawrence with his wife Lori and is close by his daughter, Emily. Presently, Emily is a Lawrence resident and graduate of Eureka College in Illinois.

Troy is pictured at his retirement ceremony in 2016 with Lori and Emily

From Alan VanLoenen:

American Legion Post 14 - 3408 W 6th Street, Lawrence, KS

(1) Every Tuesday and Thursday from 9AM to 12PM, "coffee and conversation" for military veterans and American Legion members. There have been some Jayhawk MOAA members that attend this "coffee and conversation"; but would like to see more.

(2) Thursdays from 6-9PM there will be country and western music band playing and from about 6 to 9PM a meal is available for \$12. The AL post has a trained chef that prepares these meals and I doubt you could get a meal this good for \$12 in Lawrence; with the addition of a music band playing.

(3) Every Wednesday and Saturday there is American Legion bingo. Doors open at 4:30 PM with pull tabs games, bingo games start at 6:45 PM; there is a snack bar for drinks starting at 5PM, and food served starting at 5:30 PM. There is a special "progressive black out" bingo game that progresses in value each night until won in the posted number or less.

All of these events are open to the public, the Thursday meal and music; if not a Post 14 member you have to sign in; because of their being an open bar for drinks.

Army News

Happy Holidays from the Jayhawk Battalion! Most of our Jayhawks have flown the coop to rest and recuperate and prep for the upcoming semester and they definitely earned it! November – always a busy month for KU Army ROTC cadets – was chockablock full of Veteran’s Day and associated military tribute events. These included KU’s Salute to Service football and basketball games, the Veteran’s Tribute Gala, the 24-hour Veteran’s Day Vigil, the Free State HS Salute to Veterans, the wreath laying ceremony honoring KU’s fallen servicemen and women, the Veteran’s Day 5k, and the Joint Service Potluck. KU Army ROTC leveraged these to the maximum extent to advertise opportunities within ROTC both at KU and within the larger ROTC enterprise. The highlight of November was the end-of-semester Army Combat Fitness Test held at Free State High School over the course of two days (with an additional test at St. Mary’s to accommodate that satellite school). The battalion as a whole averaged just shy of 500 (average of 497 out of a possible 600 points); I am confident that by the late April 23 ACFT, we will be over 500 as a group. In this same vein and to inspire better overall fitness, MSG Geery and CPT Emery spearheaded a combatives program. This has proven incredibly popular with over a dozen cadets attending multiple times per week.

As always, the semester ended with a sprint to complete all our academic and administrative requirements, but we were able to take time to recognize excellence within the Jayhawk Battalion and complete a cadet change of command and change of responsibility. Awards included recognition of our cadets who became eligible for the Scabbard and Blade club (the cadet honor society which requires a 3.5 GPA), recognition of our “Iron Cadets” (those who achieved the highest scores on the ACFT – CDT Larson and CDT Warburton), and our cadets who performed with distinction over the course of the semester. In the change of command ceremony, CDT Brooke Thomas took over as the Jayhawk Battalion Commander from CDT Kularatne and CDT LeAnne Johnson took over as the Jayhawk Battalion Command Sergeant Major from Cadet Nick Parker. After completing finals and entering all the grades across our four universities, we held the highlight of the semester: the commissioning ceremony for two brand new 2LTs. On 19 December, we commissioned 2LT Christopher Capps (St. Mary’s University) into the Kansas Army National Guard and we commissioned 2LT Will Pirrie as an Active Duty Aviation Officer.

While the cadets are taking a much needed rest, the cadre are hard at work completing instructional requirements, long-range planning, and a series of meetings with LTC Calvin

Taetzsch – the incoming KU PMS. The Spring Semester promises to be fantastic with the Northern Warfare Challenge (in La Crosse, Wisconsin in February), a Staff Ride covering the Second Battle of Fallujah in March, our Spring Field Training Exercise over four days at Fort Riley, the Ranger Buddy Competition on 8 April and Spring commissioning in May.

LTC John D. Finch, Professor of Military Science

Navy News

Greetings from the Jayhawk Battalion!

The staff and Midshipmen concluded an outstanding fall semester with much accomplished. Despite having such a small unit, the Battalion persevered and excelled as one of the fittest it has ever been.

In late October, Midshipmen organized and participated in the annual Commanders' Cup competition between the Air Force and Army ROTC Units. In this friendly competition, the Midshipmen's athletic skills and knowledge were put to the test. Events included a casualty evacuation run, dodge ball, and a smokeless shooting competition. This year, the Navy ROTC Jayhawk battalion were able to secure first place for a second year in a row! Great work shipmates!

The Midshipmen partook in a Veteran's Day vigil in early November to honor those who have served in the Armed Forces. This was yet another display of our cohesion with the Air Force and Army ROTC units as each unit posted a Midshipman or Cadet at every war memorial on KU's campus to stand watch. The event was highly professional as the uniformed students stood the watch at these memorials throughout the weekend. Yet another demonstration of their pride in military service!

In early December, the Joint Service Ball was held where Midshipmen, Cadets, and staff were able to come together to enjoy dinner and drinks in a military setting. During this time, we celebrated the accomplishments over the semester, recognized the graduating seniors, and heard encouraging words from guest speaker Lieutenant Colonel Jeff Long, USAF (ret).

As we concluded the Fall 2022 semester, the students were assigned billets for the Spring 2023 semester. This culminated in the Battalion Change of Command ceremony where all the billets

were revealed, and a formal turnover of the coveted Battalion Commanding Officer (BCO) position occurred. Congratulations to MIDN 1/C Dylan Robertson for being selected as our new BCO for Spring 2023! MIDN 1/C Grace Hoffman performed skillfully as the Fall 2022 BCO and we thank her for her outstanding leadership!

We also celebrated our commissioned Midshipmen. In early November, MIDN 1/C Spencer Bestgen was commissioned and selected to be a Student Naval Aviator (SNA). MIDN 1/C Grace Hoffman is a surface warfare (nuclear) selectee and will serve onboard the USS Chancellorsville (CG 62) homeported in Yokosuka, Japan. MIDN 1/C Connor Devany was selected to be a SNA.

After three years at the University of Kansas, we said our farewells to Lieutenant (LT) Mickelson as he departed for the Department Head Course at Surface Warfare Officer School. We wish him the best of luck in his Navy career. As LT Mickelson departed, the battalion welcomed our newest surface warfare officer, LT Cole. We look forward to seeing his mentorship and the work he will do here at the Navy ROTC Jayhawk battalion!

This Spring semester will bring plenty of excitement as Midshipmen travel to Boulder, CO to compete among other NROTC units at the NROTC University of Colorado Drill Meet and we prepare to commission the rest of our seniors into the Naval service in May.

Midshipmen and Cadets hold the American Flag for a Salute to Service Basketball Game in Allen Field House

MIDN 1/C Spencer Bestgen swearing in as an Ensign in the United States Navy

Rock Chalk and Fly Navy!

***CAPT James "Nemo" Miller
Professor of Military Science***

Air Force News

Happy new year from Detachment 280, the Flying Jayhawks!

As is usually the case at semester's end, I'm left wondering where the time went. Simply put, the cadets and cadre of Det 280 had a fantastic fall semester. We saw a roughly 300% increase in freshman enrollment from 2022 and 90% of them are still with us. What's more, they performed! They were challenged from day one by their fellow cadets and cadre alike, and kept coming back for more. They're hungry for opportunity and I'm very excited to watch their continual progression.

Cadet Oliver Gonzalez, a junior from Las Vegas, is also seizing opportunity. He has parlayed his academic success (3.99 GPA in aerospace engineering) and cadet performance into a JROTC Flight Academy selection, one of only 20 awarded across the country. This summer, he'll serve as a class leader for JROTC cadets during an intensive 8-week program and hopefully walk away with not only invaluable leadership experience, but also a Private Pilot Certificate.

The Cadet Wing held its change of command at the Kansas Memorial Union on 7 Dec. I had already pre-selected Cadet Jason Oswald to assume the position of Cadet Wing Commander, based on his performance to date. He'll be assisted by Cadet Ryan Ward as Cadet Vice Wing Commander. Cadets Cody Leach and Hannah Pennington, the fall semester Cadet Wing Leadership team, did a superb job in their roles and took the detachment in precisely the direction it needed to go. On behalf of the cadre team, I thank them both for their dedication and professionalism.

Like last academic year, we have several cadets participating in the AFROTC You Can Fly (AYCF) program. AYCF provides a \$3,500 scholarship to selected cadets to complete private pilot ground school and approximately 15 hours of flight instruction at authorized flight schools. The program addresses the Air Force Chief of

Staff's priority to increase diversity among the rated force and is funded by the AF's Rated

Diversity Initiative. It's a great opportunity for our cadets. Now we just need the Kansas winter weather to cooperate so they can get some flight hours!

Finally, congratulations to our latest KU graduates and newest AF 2d Lts. 2d Lts Colton Jahr and Jasmine Michels will soon be off to training to become acquisition officers and 2d Lt Ben Adams will be a civil engineer. They were all commissioned at a 20 December ceremony.

Rock Chalk!

Lt Col Charlie Dorssom

Commander, Air Force ROTC Det 280

MOAA NEWS & LEGISLATIVE UPDATES

This is a summary of the many items MOAA produces each week on legislative activities.

Those who are MOAA National members receive the full Legislative Updates each week. Let me know if you want additional info on any particular topic: mkelly1123@icloud.com

Here are some web addresses and phone numbers for retirement pay and related issues such as changing an allotment or tax withholding for inclusion in our newsletter.

WEB ADDRESS <http://www.dfas.mil/dfas/retiredmilitary.htm> Or <https://myPay.dfas.mil>

POSTAL ADDRESS Defense Finance and Accounting Service, US Military Retirement Pay, 8899 E 56th Street, Indianapolis, IN 46249-1200

PHONE/FAX COMMERCIAL 317-212-0551; TOLL FREE VOICE 1-800-321-1080; TOLL FREE FAX 1-800-469-6559

While this web site is hosted by the Air Force, the benefits apply to any service. Other states may be searched as well

Next Generation Uniformed Service Identification Card is here!

DoD plans on phasing out legacy identification cards in 2026. There is no DoD or Air Force mandate to replace existing unexpired identification cards. Legacy cards are identified by form number and color, for

example, the DD Form 2 Retired is Blue, DD Form 1173 for dependents is tan or DD Form 2 for Reserve Retired is red.

The legacy identification cards remain valid as long as they are not expired. Expired identification cards are now upgraded to the new Next Generation Uniformed Service Identification located at the website www.cac.mil. Also available at all DoD/Uniformed Servicing locations. Find your nearest location here <https://idco.dmdc.osd.mil/idco/#/>

TRICARE Pharmacy Home Delivery: A safe and convenient way to get your prescriptions

Are you regularly filling a prescription for a medical condition? If so, choosing the right pharmacy option can save you a great deal of time and money. For many TRICARE beneficiaries, the cheapest, most convenient option is [TRICARE Pharmacy Home Delivery](#).

“Home delivery is a smart option for people who take maintenance drugs,” said Lt. Col. Melissa Yates, a pharmacist with the Pharmacy Operations Division at the Defense Health Agency. “Maintenance medications are drugs you take regularly for chronic conditions, like high blood pressure. Other short-term use drugs should be obtained from a military or retail network pharmacy. This way, you can begin therapy as soon as possible.”

Here are some reasons why you may want to think about switching to home delivery.

Home delivery is safe and reliable

TRICARE Pharmacy Home Delivery will ship to any address in the U.S. or U.S. territories, including APO/FPO addresses. [Express Scripts](#), the TRICARE pharmacy contractor, ships millions of prescriptions each year with greater than 99.99% accuracy. Your prescription will arrive in tamper-evident, weatherproof packages.

If you live outside the U.S. or U.S. territories, you can also use home delivery. However, you must have an APO or FPO address, or be assigned to a U.S. Embassy or Consulate. Home delivery isn't an option in Germany, so you must use a military pharmacy or host nation (overseas) pharmacy to fill your prescriptions.

You can track the status of your order through the [Express Scripts mobile app](#) or by logging in to the [Express Scripts website](#). The “Recent Order Status” screen will show you all about your prescription.

You can find out when Express Scripts shipped the order or if there are delays.

You can even use home delivery when you're traveling. Update your address with Express Scripts to have your prescriptions sent to the address where you'll be staying. Remember to allow a few days for shipping. Also, be sure to update your address again when you return home.

Home delivery can save you money

Home delivery is the least expensive TRICARE pharmacy option after [military pharmacies](#). Standard shipping is free. Home delivery also offers up to a 90-day supply for a single copayment.

At [retail network pharmacies](#), it costs three co-payments to get a 90-day supply.

As outlined in the [TRICARE Pharmacy Program Handbook](#), all beneficiaries in the U.S. except active duty service members must get certain maintenance drugs filled through home delivery or at a military pharmacy. If you fill these maintenance drugs at a retail pharmacy, the pharmacy will only fill your prescription twice at the TRICARE co-payment rate. After that, you'll pay 100% of the cost. Want to learn more about your pharmacy costs? Check the online [compare costs tool](#).

Pharmacists are always available to help

Have questions about your prescription? At Express Scripts, you have access to a team of pharmacists who are available 24/7 through your online account or the Express Scripts mobile app. These pharmacists specialize in different diseases, such as diabetes and cancer. They can answer your questions about possible side effects, dosages, and more.

Refills can be automatic

Would you like Express Scripts to

automatically refill your prescription? You can enroll or disenroll eligible prescriptions at any time. Express Scripts will ask you to provide your consent to continue receiving automatic refills.

Getting started with home delivery is easy

There are many ways to switch your prescription to home delivery. Some of your options include: **Online:** [Register](#) or [log in to your account](#) on the Express Scripts website. <https://militaryrx.express-scripts.com/>
e-Prescribe: Ask your doctor to submit your prescription electronically.

Military pharmacy: Ask your military pharmacist to transfer your prescription to home delivery. **Mobile app:** If you have an existing prescription at a retail or military pharmacy, you can transfer it to home delivery using the Express Scripts mobile app. You can download the app

for Android or Apple phones.

Phone: Call Express Scripts at 1-877-363-1303. Make sure to have your prescription bottle ready.

You should try to have a 30-day supply of medication on hand before your first home delivery order.

Do you have other health insurance (OHI)? Examples of OHI are Medicare Part D or private insurance through your employer. If you have OHI with a prescription plan, you can use home delivery if:

- Your OHI pharmacy benefits are also administered by Express Scripts • Your OHI doesn't cover pharmacy benefits
- Your OHI doesn't cover your prescription drug
- You've met your OHI's benefit cap. Check out the TRICARE website for more information. <https://www.tricare.mil>

WHITE PAPER ON MILITARY AND VETERANS' LEGISLATIVE PRIORITIES FOR 2023 SESSION

1. Purpose

A group of advocates for currently serving military and formerly serving military veterans met in the Kansas Statehouse on Saturday, October 8, 2022, and discussed legislative needs. Participants expressed their preferences for legislative action which are described below. These concise descriptions are intended to inform others about the list of legislative priority items already discussed and to stimulate additional discussion and refinement of these and other issues of importance.

2. Legislative Priority Listing from October 8, 2022 Meeting

1. Extend Property Tax Exemptions on primary residence and autos for disabled veterans
2. Support full KCVA Office budget request
3. Provide sales tax exemption for veterans rated 100% disabled for purchases up to \$25K
4. Exempt currently serving military pay from Kansas Income Tax
5. Provide family caregivers of disabled veterans a tax credit
6. Design planned northeast Kansas skilled nursing facility for expansion beyond 72 beds
7. Expand veterans treatment courts, especially in rural regions
8. Permit permanent hunting and fishing licenses for disabled veterans

Paragraphs 3-10 below will provide additional detail on each legislative priority item.

3. Extend Property Tax Exemptions for Disabled Veterans applies to formerly serving military veterans with a Department of Defense (DoD) medical retirement or a Department of Veterans Affairs (VA) disability rating of 10% to 100%. Kansas taxes personal vehicles and residences. This item would reduce taxation on vehicles and residences for disabled veterans. Certain currently serving military enjoy a property tax exemption on vehicles in Kansas per HB2313 passed into law in 2020. The bill extends a vehicle property tax exemption for up to two motor vehicles to all current members in good standing of the Kansas Army National Guard, Kansas Air National Guard, or U.S. military reserve forces stationed in Kansas, beginning in tax year 2022. Under the law, members of the Kansas Army National Guard, Kansas Air National Guard, or Kansas reserve forces of the U.S. military receive the exemption only when stationed or assigned in Kansas under authority of Title 10 or 32 of the U.S. Code.

4. Support Full KCVA Office Budget Request applies to services provided by the Kansas Commission on Veterans Affairs Office, a state agency. KCVA Office provides state executive branch actions to operate two veterans homes, four state veterans cemeteries, and 14 outreach offices to provide advice and assistance to veterans and their family members regarding federal and state benefits to veterans.

5. Provide Sales Tax Exemption applies to formerly serving veterans rated 100% disabled by VA under Title 38 Chapter 11 of federal law. Modeled on a law in Oklahoma, 100% rated disabled veterans would be able to purchase goods up to \$25,000 each year, sales tax free.

6. Exempt Currently Serving Military Pay from Kansas Income Tax applies to full time active duty, reserve, and National Guard troops. Kansas is one of only ten states that tax 100% of military pay. In contrast, Kansas *exempts 100% of military retired pay from state income tax*. Kansas legislators cannot

raise basic pay for currently serving military but they can raise take home pay by reducing the state income tax on military pay.

7. Provide family caregivers of disabled veterans a tax credit applies to state tax returns of family caregivers who provide quality of life care for basic daily activities to disabled veterans. Veterans Administration provides a monthly benefit payment to families of certain veterans that cannot care for themselves under the Program of Comprehensive Assistance for Family Caregivers (PCAFC.) This item would provide a credit on state income tax in addition to the tax-free federal benefit.

8. Design planned northeast Kansas skilled nursing facility for expansion beyond 72 beds refers to a planned third facility under the KCVA Office to provide skilled nursing care to Kansas veterans. This facility will be located in Leavenworth, Wyandotte, Shawnee, Douglas, or Johnson Counties. This guidance to the architects would ensure ease of building expansion for future needs.

9. Expand veterans treatment courts, especially in rural regions would impact veterans charged with criminal offenses and provide supervised treatment and supportive services instead of incarceration. A veterans treatment court is authorized by state law codified in K.S.A. 22-2908(a)(6). This is a second chance for veterans with behaviors that may be related to trauma experienced in combat service and behavioral health conditions arising from combat service. This diversion from prosecution option is not available in all counties.

10. Permit permanent hunting and fishing licenses for disabled veterans would apply to formerly serving veterans with a disability rating from the VA or a veteran with a DoD medical retirement. Such individuals would not be required to reapply each year for these recreational licenses.

JAYHAWK CHAPTER MOAA

A membership meeting will be held **Tuesday, 17 January 2023**

at the **Lawrence Country Club**

Dinner cost is \$30.00/meal.

The Program: Info on Speaker TBD

Social Hour: 1800 hours Dinner: 1900 hours

The Menu: *Chicken fried steak with potatoes, asparagus, and brownie (dessert)*

Send your reservation and check payable to Jayhawk Chapter MOAA to arrive no later than **Saturday 14 January** to: **CAPT Jim Cooper, 5216 Brown Lane, Lawrence, KS 66049-5112**

Dinner reservations are confirmed on Monday before the dinner. Cancellations, if necessary, should be made prior to Monday noon; otherwise, the Lawrence Country Club will charge us for those meals.

If you have any questions, you may contact Jim Cooper at 842-7037 or Mike Kelly at 727-3329
